E-STATEMENTS

You'll receive an email when your statement is ready and you can view your statement anytime and securely through Iowa State Bank's Online Banking site.

Simple. E-Statements eliminate the clutter of paper statements and allow you to store and retrieve past statements right on your hard drive.

Fast. You get your statement sooner, because online delivery eliminates delays sometimes found with postal mail delivery.

Secure. Identity Theft experts actually recommend electronic statements. Why? Most identity theft occurs through the mail or improperly discarded paper documents containing sensitive information.

Green. E-Statements are good for the environment. Choosing E-Statements is something easy you can do that is Earth-friendly.
